A Course for Pathologists

The diagnostic work-up of diffuse parenchymal lung disease needs identification of the morphological aspects in a significant minority of patients. Surgical lung biopsy is considered the most efficient method to reach the goal so far. However it is associated to a significant incidence of morbidity and mortality mainly when the definite diagnosis will result to be Idiopathic Pulmonary Fibrosis (IPF) or in elderly.

Transbronchial cryobiopsy is a new bioptic approach in this clinical scenario that is gaining an ever increasing consideration in the scientific community. Its safety profile is significantly better than that of surgical lung biopsy and its sensitivity and specificity appear very good especially in patients with IPF. Standardization of the method and its clinical role in the diagnostic work-up of patient with diffuse parenchymal lung disease are still under evaluation. The pathologic interpretation of samples obtained by this approach is an important step in doing this technique clinical reliable. In this course pathologic aspects detected on cryobiopsy samples will be discussed mainly through a "slide seminar" approach.

Also technical aspects regarding how to handle specimens, how to exploit information present in these specimens using more sophisticated investigations and how to insert morphological data so obtained in the multidisciplinary discussion will be part of the course project.

Alessandra Dubini, Venerino Poletti

FACULTY

Mattia Barbareschi, Trento

Francesca Barbisan, Ancona

Martina Bonifazi, Ancona

Anna Calì, Verona

Alessandra Cancellieri, Bologna

Alberto Cavazza, Reggio Emilia

Andrea Claudio Comel, Peschiera del Garda (VR)

Marco Chilosi, Verona

Sara Colella, Ascoli Piceno

Alessandra Dubini, Forlì

Roberto Fiocca, Genova

Eliana Gilioli, Verona

Paolo Graziano, San Giovanni Rotondo (FG)

Giovanni Magnanelli, Peschiera del Garda (VR)

Guido Martignoni, Verona

Bruno Murer, Venezia Mestre (VE)

Sara Piciucchi, Forlì

Venerino Poletti, Forlì - IT - Aarhus - DK

Claudia Ravaglia, Forlì

Giulio Rossi, Modena

18th DECEMBER 2017

13.00-13.30 Welcome Buffet Lunch
13.30-14.00 Introduction

M. Chilosi, V. Poletti

1st Session

Chairpersons: A. Cancellieri, P. Graziano, G. Magnanelli
14.00-14.45 Transbronchial cryobiopsy in diffuse parenchymal lung disease
14.45-15.15 Update: treatment of IPF
15.15-16.00 Transbronchial cryobiopsy: the pathologist's point of view
16.00-16.30 Immunohistochemistry and molecular biology techniques
16.30-17.00 *Coffee Break*

V. Poletti

C. Ravaglia

A. Cavazza

M. Chilosi

2nd Session

Chairpersons: A. Cavazza, A. Comel, R. Fiocca
17.00-18.30 Slide Seminar: UIP & neighbours
18.30-19.00 Pecomas of the respiratory tract

A. Cavazza, A. Dubini

G. Martignoni

19th DECEMBER 2017

1st Session

Chairpersons: A. Cavazza, A. Dubini
08.30-10.00 Slide Seminar: cellular ILDs
10.00-10.20 How to handle cryobiopsy samples
10.20-10.40 *Coffee Break*

F. Barbisan, A. Dubini, G. Rossi

A. Dubini

2nd Session

Chairpersons: M. Chilosi, S. Piciucchi
10.40-12.30 Slide Seminar: Other ILDs

A. Cavazza

3rd Session

Chairpersons: S. Colella, A. Dubini
12.30-13.00 Clinical case: discussion
13.00-14.30 *Lunch*

F. Barbisan, M. Bonifazi, S. Piciucchi

4th Session

Chairpersons: G. Rossi, V. Poletti
14.30-15.15 Radiologic-pathologic correlations based on cryobiopsy samples
15.15-16.15 Multidisciplinary team at work
16.15-16.40 *Coffee Break*

A. Cavazza, S. Piciucchi

A. Dubini, S. Piciucchi, C. Ravaglia

5th Session

Chairpersons: B. Murer, V. Poletti
16.40-18.30 Slide Seminar: Cases provided by the attendants

M. Barbareschi, A. Calì,

A. Dubini, E. Gilioli

A. Dubini, V. Poletti

18.30-18.45 Closing remarks

CONTINUING MEDICAL EDUCATION (CME) ACCREDITATION

The Course will be accredited by AIPO 2017

Provider 5079 (Italian Association of Hospital Pulmonologists)
to provide Continuing Medical Education (CME) for Italian Physicians.

Educational objective 2: guidelines, procedures and clinical documentation

ID Code: 209843

Number of participants: 25

Italian CME Credits: 15,6

Accredited Disciplines: Pulmonology, Oncology, Thoracic Surgery, Pathological Anatomy.

To certificate CME credits, participants must attend 90% of the Scientific Program.
